IV. The following Government orders were read and recorded :—

(1) Government Order No. 11020-8—L. B. (193-04)-4, dated the 31st May 1905, declining to sanction the levy of a separate rate of tax on shops in Unions instead of the low rate of house tax, as it is opposed to the existing law.

(2) Revenue Commissioner's docket No. 9973-80, dated the 7th June 1905, forwarding for information and guidance a copy of Government Order No. 10253-4—L. B. (345-04)-2, dated 8th May 1905, observing that under Section 7 clause (c) of the Local Boards Regulation, the establishment and management of markets vests in the District Board and that matters connected with santes should be placed before the Board for consideration and record of their opinions.

(3) Government Order No. 11424-32—L. B. (193-04)-6, dated the 15th June 1905, informing the President of the Shimoga District Board that Government Order No. 4743-51—L. B. (193-04)-2, dated 3rd December 1904, clearly lays down that as house tax includes shop tax, the latter is not to be levied separately in Unions.

(4) Secretary's docket No. 11434-41—L. B. (380-04)-1, dated 15th June 1905, forwarding for information the representation and the reply of Government thereto, Subject No. 110 of the Representative Assembly of 1904, directing that District Boards must provide from their resources increased allotments for improving Local Fund roads, which are very narrow in some places and are full of ruts.

(116-04)-18, dated the 22nd June 1905, observing that the procedure adopted by the President of the Hassan District Board in sanctioning certain non-budgetted works is unsatisfactory as paras 36 and 138 of the Local Boards Rules are clear regarding the powers of the President and the District Board.

(7) Government Order No. 12018-21—L. B. (240-04)-6, dated the 29th June 1905, sanctioning the reappropriation of Rs. 1,000 from "A I. Original works," constructing a musafirkhana at Santaveri, to "A II. Repairs," repairing the 3rd class travellers' bungalow at Balehole.

(10) Government Official Memorandum No. 207-17—L. B. (352-04)-3, dated 6th July 1905, directing to submit such estimates acquiring the sanction of Government early so as to allow sufficient time for the execution of the works before the expiration of the year.
